“ Dear Friends,
Fully 2 months have passed since your Dad's passing, and Father's Day a few weeks ago must have been extra challenging as you celebrated your own fatherhood but without the possibility of honoring your own father and role model. Being friends with Tom and acquainted with Tim, it has always been evident that "Big Tom" / "Dad Williams" was a fine man: upstanding in every way, compassionate, and a quiet, humble, solid leader. What better tribute than to continue to honor him in memory and daily life than to persevere to live in the same way and continue to pass along to the next generations such redeeming qualities?! May God continue to give you each the grace to live an exemplary life and the comfort and peace when facing new challenges of knowing Who holds your hand and sustains you in the coming days of your new reality.
Fondly, and with prayers for God's best blessings in this season,
Mary Jean (Pratt) Armendariz

“ We were saddened to learn of Tom's passing. We regret not attending Tom's graveside service due to COVID19 precautions. We will be lifting each of you up in prayer. May God grant each of you peace, comfort, and strength for each new day.

In addition to memories of bumping into Tom around town over the years, a particular fond memory is when he provided advice during Barbara's quest to purchase a Mustang. He even accompanied us to look at one in Temple. As it turned out, she purchased one of Billie Sue's Classics!

Love and Prayers,

“ I was a young and ignorant 20-something when I met Tom Williams in his capacity as director of PTTS at Texas A&M University. For some reason, known only to him and God, Tom took me under his wing and pushed me to develop skills, continue my formal education and become something more than what it looked like I had settled on being. He provided both professional and personal direction over the course of several years that changed the course of my life for the better. I can honestly say that I would not be where I am today, either professionally or personally, had it not been for Tom Williams and his caring and support. It was tough love at times, but always from a point of pushing me to do greater things and be a better person. I believe that the Lord put Tom in my life at just the right time and I will be forever thankful for his contributions.

Fun fact: When my wife (Julie) and I first got married, we moved into the house on Moss Street that Tim was vacating because he, to the best of my recollection, was graduating from TAMU. Tom even helped us find our first house as newlyweds! Just another example of how he cared about and helped people.

“ Dear Family,

Tom was such a dear friend and a friendship that was treasured for many years. He was so kind and considerate , but had a great sense of humor. I know that what was once enjoyed and deeply loved , we can never lose, because all that we love deeply becomes a part of us. As always I wish we had made more time this last year visiting Tom, but find great comfort in being connected with Tim & Franny.

Our deepest sympathy & love,

Aileen & Jimmie Bratton

“ I met Tom when he was director of Parking, Traffic and Transportation Services at Texas A&M University and I was hired as one of the department's employees. Tom was quiet, yet kind, and truly cared about the people he knew and especially his family. We had not seen each other in years, but I still felt his care when he would comment on a post I'd made. I am so sorry for your loss.

“ Dear loved ones,
Your father and I grew up as both neighbors, friends and relatives. Related on both the Montgomery and Williams' sides, it was difficult to not see your father either at school, a family gathering or social event in Montgomery and Grimes Counties. Related by time, blood and memories, our generation was privileged to run the highways and byways of FM 149 South and North.
Your father was a serious student and son who distinguished himself both at Montgomery High School, Texas A&M University and his career. He was proud of his beloved family and was truly a family man. Carry on his legacy and never forget that you are Texas royalty. Without the investment of the Montgomery and Williams' families in the battle for Texas Independence, history may have been written quite differently. You can always reach me at 978-259-6790. BTW, your great-grandfather Williams and my grandmother Ada Williams Stovall we're brother and sister. Our common Montgomery ancestor was William Montgomery, father of Andrew, Edley and John who were President Andrew Jackson and General Sam Houston's boots on the ground.

Most respectfully,
Sarah Anne Peel Mabry
